## A NIGHTMARE

Gives point to the fact that excessive or irregular eating disturbs the digestion. Nightmares or night hag has its day time correspondence in the undue fullness after eating, with the belchings and sour or bitter rising so often experienced after too heavy or too hearty eating.

Dr. Pierce's Golden Medical Discovery cures dyspepsia or bad stomach. When the weak stomach is strengthened and invigorated the whole body shares in the increased strength derived from food properly digested and perfectly assimilated.

I was a victim of sleeplessness and extreme nervousness induced by chronic indigestion and I felt heavy, tired and worn out generally. I was told by a friend to try Dr. Pierce's Golden Medical Discovery. I was told to take it for a week. I began using it that heavy oppressed feeling after meals had left me, and I found that I was able to sleep better than for months previously. My appetite was gradually restored, general system was toned up, nervousness became a thing of the past and I have now been in splendid health for over nine months.

Sometimes a selfish dealer tempted by the little more profit paid on the sale of less meritorious medicines will offer the customer a substitute as being "just as good" as the "Discovery." It may be better for him because it pays better, but it is not as good for you. If you want the medicine that has cured others, and which you believe will cure you.

**1000-page Doctor Book sent free** on receipt of 21 one-cent stamps to cover postage only. It contains 1000 pages of valuable information for the doctor and the patient. It is a book that every family should have. It is a book that every doctor should have. It is a book that every family should have. It is a book that every doctor should have.

## YOUR HAT

May Be a Stylish One, But It Makes Trouble.

A man usually buys a hat that's "in style," but the modern hat for men has been to answer for.

Baldheads are growing more numerous every day. Hats make excellent breeding places for the parasitic germs which sap the life from the roots of the hair.

When your hair begins to fall out and your scalp is full of Dandruff it is a sure sign that these countless germs are busily at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newbro's Herpicide to the scalp. It will kill the germs and healthy hair is sure to result.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Dr. J. C. Milburn.

E. S. Leadbeater & Sons, Special Agents.

## STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it.

Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weakens, and become diseased.

## Kodol Dyspepsia Cure

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

## BOGUS CHECK.

The details of a statement whereby a prominent local financial institution was recently victimized by a clever forger came out in New York yesterday.

The forger presented a bogus check bearing the name of a well-known stock exchange firm and received in return securities valued at about \$360,000.

The name of the institution is not disclosed, but it is believed to be the National City Bank, operating in the financial district.

Pearl & Co., stock brokers at 27 William street, recently negotiated a one-day loan for \$300,000 with this unnamed institution. On Wednesday a check for the amount of the loan, plus \$37.50 for the one day's interest, was presented at this bank by a stranger, who received the security deposited by Pearl & Co. for the firm's loan.

The bank on which the broker's check was drawn is one with which Pearl & Co. never had an account, so the forgery was not discovered until the check had passed through the clearing-house exchange, when it was promptly branded as fictitious.

A private detective agency was called in and transfer of the securities was at once stopped.

The detectives intimate that they have a clue to the identity of the forger, who is believed to have had one or more accomplices.

It is believed that the forger had an intimate knowledge of Pearl & Co.'s affairs. E. F. Slayback, junior member of Pearl & Co., said:

"I have been asked not to divulge the name of the bank concerned. I can only say that it is rich, and if the forgery should involve any loss the bank will be amply able to stand it."

"The odd amount of the forged check," added Mr. Slayback, "represents a day's interest at 4 1/2 per cent. As a matter of fact the loan is recorded in our books at 4 1/4 per cent. Clearly somebody must have had knowledge of the loan. Yet had it been some one in our employ the interest rate would have been computed at 4 1/4 per cent."

The firm of Pearl & Co. consists of Dyer Pearl and Mr. Slayback. Mr. Pearl is now in Europe. The members of the firm own Stock Exchange seats, and their operations on the board have at various times been quite extensive.

The securities offered by Pearl & Co. for their loan and surrendered by the bank for a piece of worthless paper include 1,000 shares United States Steel common, 1,000 shares Rock Island common, 1,000 shares Metropolitan Street Railway, 700 shares Missouri Pacific, 200 shares North American Company, 47 American Tobacco Company 6 per cent. bonds and some Wabash debenture bonds.

## Raps High Financiers.

Unexpectedly, 10 minutes before the adjournment of the New York Diocese of the Episcopal Church in New York, a resolution was offered by Rev. John Marshall Chew, of the Church of the Good Shepherd, which touched upon the perversion of trust funds and openly criticized the insurance investigation.

The resolution was offered five minutes after J. Pierpont Morgan left the Synod Hall. It was not seconded and not even considered by the convention.

Bishop Potter, who was presiding, frowned all through the reading of the resolution, and at the close suggested to Rev. Dr. Chew that he take some paternal advice from him and not press his resolution until after the case had been fully tried by the authorities who were sitting in judgment on life insurance companies.

The introduction of the resolution caused a sensation, and the deputies listened in silence to the caustic and sarcastic arrangement by Dr. Chew of the business men who dabble in high finance and yet are respected by the church, although their seemingly practice deception and infidelity.

The resolution among other things said: "The tampering with trust funds by men in high positions of privilege and confidence in the business world constitutes a most discouraging evidence of moral laxity and bad example among those whom the church and nation have a right to expect better things.

"No talent for high finance, no useful service to the community, no benevolence to the church or to objects of philanthropy can excuse or atone for dereliction of trust, contempt for the rights of others, or disregard of the rules of common honesty."

## The Colonel's Waterloo.

Colonel John M. Fuller, of Honey Grove, Texas, nearly took DeWitt's Little Early Risers for biliousness or constipation. He says, "I was nearly dead, of these complaints, and although I tried my family doctor, he said, 'No good; so I got a 50c bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them.' Sold, and guaranteed to cure Dyspepsia, Biliousness and Kidney Disease, by E. S. Leadbeater & Sons, druggists, at 50c a bottle."

## No Unpleasant Effect.

If you ever took DeWitt's Little Early Risers for biliousness or constipation you know what pill pleasure is. These famous little pills cleanse the liver and rid the system of all waste without producing unpleasant effects. Sold by W. F. Creighton, & Co., 401 King street.

## WORKING WOMEN

Their Hard Struggle Made Easier—Interesting Statements by a Young Lady in Boston and One in Nashville, Tenn.

All women work; some in their homes, some in church, and some in the whirl of society. And in stores, mills and shops tens of thousands are on the never-ceasing treadmill, earning their daily bread.

All are subject to the same physical laws; all suffer alike from the same physical disturbance, and the nature of their duties, in many cases, quickly drifts them into the horrors of all kinds of female complaints, ovarian troubles, ulceration, falling and displacements of the womb, leucorrhoea, or perhaps irregularity or suppression of "monthly periods," causing backache, nervousness, irritability and lassitude.

Women who stand on their feet all day are more susceptible to these troubles than others.

They especially require an invigorating, sustaining medicine which will strengthen the female organism and enable them to bear easily the fatigues of the day, to sleep well at night, and to rise refreshed and cheerful.

How distressing to see a woman struggling to earn a livelihood or perform her household duties when her back and head are aching, she is so tired she can hardly drag about or stand up, and every movement causes pain, the origin of which is due to some derangement of the female organism.
